

Dinner by Davians

Meals are prepared fresh and available for pickup on Thursday's only. (Order by Tuesday Noon for Thursday pickup)

Each meal is prepared using the finest ingredients. All dinners are fully cooked and ready to heat and serve from your oven or kept frozen for a later date. Our meals are not mass produced by a machine or put together on an assembly line, but are meticulously prepared by a professional chef in our fully licensed, commercial kitchen. The meal containers are conveniently designed for use in your oven and freezer ready with lids that provide a splatter proof barrier between the meal and your oven. Heating instructions are provided on each container.
